1 A Yes.

2 Q Great. So you've never been deposed before.
3 Have you ever been a party to a lawsuit before?

4 A No.

5 Q How long did you work for Adelanto Detention
6 Facility?

7 A A little over five years.

8 Q And when did you leave their employ?

9 A 2017.

10 Q Do you remember the month?

11 A I think December.

12 Q After you left, did you move to Arizona then,
13 or did you stay --

14 A No.

15 Q Did you stay in California for a while?

16 A Yes. Another year.

17 Q What were you doing during that year?

18 A I went to probation, probation department.

19 Q Where was that located?

20 A San Bernardino.

21 Q Was that during 2018?

22 A Yes.

23 Q When did you leave there?

24 A The end of 2018, December.

25 Q And after that did you get another job?

1 A To respect everyone's rights.

2 Q Do you remember in what context it came up?
3 Was there, like, a separate day on the Constitution?
4 Did it come up in a certain context?

5 A I don't remember.

6 Q Did you have any training on hunger strikes in
7 the military training?

8 A No.

9 Q While you were in the military, did you
10 interact with protestors in any way during your job?

11 A No.

12 Q And while you were -- I guess you were in the
13 military for about -- about five years, did you say?

14 A Four.

15 Q Four. During those four years, did you have
16 training after the initial three-month training? Did
17 you have a repeat use-of-force training at some point?

18 A It's an annual refresher.

19 Q How long is the annual refresher?

20 A I believe it was a week.

21 Q And did it cover basically the same subjects
22 you learned in the beginning, or were there new subjects
23 that you learned during the refresher?

24 A It would have updates and cover the same
25 subjects.

1 Q Do you remember if any of the updates were
2 about OC spray?

3 A Yes. We had a refresher.

4 Q So thinking back to your time in the military,
5 when you were getting these updates on OC spray and you
6 had training on OC spray, were you trained there was a
7 safe distance at which to deploy OC spray?

8 A Yes.

9 Q What was that distance?

10 A It depends if you have -- it depends how close
11 they are to you and what's going on. Typically, three
12 to five feet.

13 Q So three to five feet would be the usual rule;
14 is that right?

15 A Yes.

16 Q When you say it depends how close they are to
17 you, do you mean if the person is approaching you, you
18 might end up spraying them at a closer --

19 A Yes.

20 Q But if they're not approaching you, you would
21 try and spray from three to five feet; is that right?

22 A Yes.

23 Q Were you taught restraint holds while you were
24 in the military?

25 A Yes.

1 If you have other information you want to --

2 MS. AGUADO: But it still didn't happen after
3 hours. Or maybe you need to define after hours. If
4 you're talking about in the evening, it didn't happen in
5 the evening, so I don't think we need to go down this
6 road.

7 MS. SWEETSER: Why don't I rephrase.

8 BY MS. SWEETSER:

9 Q Do you know whether Lieutenant Diaz had a way
10 to reach the warden when he was not at the facility?

11 A Yes.

12 Q Do you know whether she reached out to the
13 warden that morning?

14 A Typically, you have to when something happens.

15 Q Did she tell you, that morning, that she was
16 going to reach out to or contact the warden?

17 A I don't know.

18 Q Did you ask Lieutenant Withers to contact the
19 warden?

20 A No.

21 Q And is it your training and understanding that
22 the facility administrator should be contacted prior to
23 the use of OC spray?

24 A No.

25 Q That's not something that you were trained to

1 Q Is that something -- is communicating with
2 people who don't speak your language training -- a type
3 of training you got in the military?

4 A No.

5 Q And was it your practice -- I'm sorry. I may
6 have asked this already. Let me just ask it again.

7 Was it your practice to speak Spanish with
8 detainees in the facility?

9 A Yes, if they spoke Spanish.

10 Q Are you fluent in Spanish?

11 A Moderate.

12 Q Is it something you speak in your life outside
13 work as well?

14 A Yeah.

15 Q Thinking back to the incident on June 12th,
16 2017, do you remember what the eight protesting
17 detainees looked like?

18 A No.

19 Q Were any of them someone that you had
20 interacted with previously?

21 A I don't know.

22 Q Had you ever been -- in 2017 were you ever
23 assigned to the East facility?

24 A I don't believe so.

25 Q That day, while you were interacting with the

1 you see happening there?

2 A Count starts at 6:15. That's when they prep.
3 It could be 6:10 or 6:15, but it's prior to 6:30. So,
4 typically, every day, it would be silent during count.
5 When I walked in, everyone was standing up. People were
6 yelling. Everyone was swearing at everybody. All
7 detainees were yelling at officers in Spanish and
8 English. It looked like -- like a rebellion. What I
9 saw was that everyone was just going against the
10 officers.

11 Q So when you say it looked like a rebellion, is
12 that something that you were trained to recognize?

13 A I would just say I just recognized what it is.

14 Q So you were not trained on what a rebellion is;
15 is that right?

16 A No.

17 Q Have you seen the word "rebellion" in any
18 policy documents?

19 A Yes.

20 Q What policy documents are those?

21 A I don't know.

22 Q Were they policy documents you reviewed for
23 today?

24 A It could have been.

25 Q But you didn't receive on any -- any -- you

1 side of the table?

2 A Yes.

3 Q Okay. And you're standing on the left-hand
4 side of the table; is that right?

5 A Yes.

6 Q What do you remember being the reason that you
7 sprayed this particular detainee?

8 A Well, the situation here has already escalated.
9 Since the time that it was called, now that I'm seeing
10 the time here, a lot of time has lapsed. And I know
11 that they've already exhausted all the attempts to gain
12 compliance. And what I saw was detainees assaulting
13 staff. So I told the officers, "Step away," to prevent
14 further injuries to both detainees and staff.

15 Q So you said the -- the situation escalated from
16 the time assistance was first called; is that right?

17 A Yes. And from what I saw when I got there.

18 Q How did you know the situation had escalated
19 from when assistance was called?

20 A Because of how loud it was, and everyone was
21 combative.

22 Q Did anyone tell you, prior to 6:46:46, the time
23 stamp on Exhibit 6, did anyone tell you prior to that
24 what had happened to get to this point?

25 A No.

1 Q So you were instructing them to guide the
2 detainee to the wall at that time?

3 A It could be. I don't know.

4 Q And then 20 seconds later -- or 23 seconds
5 later, at 6:46:46, you're deploying your spray; correct?

6 A Yes. It shows here.

7 Q So in that time you assessed that the detainees
8 were not following commands at the table; correct?

9 A Yes.

10 Q And you gave them a command to stop resisting?

11 A Yes.

12 Q When -- about how long before deploying the
13 pepper spray did you give that command?

14 A Three to five seconds.

15 Q Was it before or after asking the officers to
16 step away?

17 A I don't know.

18 Q Did you give the command in English or in
19 Spanish?

20 A I don't know. If they speak Spanish, I would
21 have done it in Spanish.

22 Q Did you know --

23 A When detainees respond in Spanish, I speak
24 Spanish to them.

25 Q And you didn't --

1 Q Do you remember yourself using any come-along
2 holds that day?

3 A No.

4 Q You were trained that force can never be used
5 to impose punishment; is that right?

6 A That's correct.

7 Q Force is only used as a last resort; is that
8 right?

9 A Yes.

10 Q And you were trained that only the minimum
11 amount of force necessary should be used; correct?

12 A Yes.

13 Q Were you given two different use-of-force
14 policies or just one use-of-force policy manual?

15 A What do you mean?

16 Q Were there multiple manuals that you had or
17 just one policy manual dealing with use of force?

18 A One.

19 Q Were you trained that you're allowed to use
20 force to maintain or regain order?

21 A Yes.

22 Q You used the word "rebellion" previously. Can
23 you tell me your understanding of that term?

24 A It's -- my understanding, it's just when you're
25 going to get no compliance out of the population, and

1 they're against you.

2 Q When you say "out of the population," do you
3 mean out of the detainees in the unit as a whole?

4 A Yes.

5 MS. AGUADO: Can we take a short break?

6 MS. SWEETSER: Sure.

7 (Recess was taken from 2:06 p.m. to 2:12 p.m.)

8 MS. SWEETSER: Back on the record.

9 BY MS. SWEETSER:

10 Q So before we took the break, we were talking
11 about rebellions. And you said that a rebellion is
12 where the entire population of the unit is against you;
13 is that correct?

14 A It can be like a group or -- a small group or
15 the whole unit.

16 Q GEO trained you that you can use deadly force
17 in a rebellion; correct?

18 A No, not that I recall.

19 Q What do you recall being trained is the
20 appropriate response in a rebellion?

21 A It depends what's going on. You have to
22 maintain control of the unit. It was -- it was getting
23 out of hand there.

24 Q Did you think the entire population of the unit
25 was against you?

1 A Yes.

2 Q What verbal controls were you trained on by
3 GEO?

4 A What do you mean?

5 Q Was there a category called verbal controls
6 that you received training on?

7 A I don't remember.

8 Q Were you trained that the first step, if a
9 detainee is not complying with commands, is attempting
10 to reason with the detainee?

11 A Yes.

12 Q Were you trained that the officers should
13 explain the consequences of the detainee's behavior?

14 MS. AGUADO: Objection. It's an incomplete
15 hypothetical.

16 But go ahead.

17 THE WITNESS: What do you mean?

18 BY MS. SWEETSER:

19 Q Was one of the verbal controls you were trained
20 on explaining the consequences of a detainee's
21 behavior --

22 A I don't remember --

23 Q -- that's noncompliant?

24 A -- being trained on verbal controls.

25 Q Do you remember if you were trained that you

1 depends what's presented to you.

2 Q So it doesn't -- there's no -- you weren't
3 trained that restraining holds are a lower level of
4 force than pepper spray?

5 A I don't remember the continuum.

6 Q Were you trained that you could use pepper
7 spray to quell a disturbance?

8 A What's "quell"?

9 Q Is "quell" a term that your training documents
10 used?

11 A I don't know what "quell" is.

12 Q Okay. Were you trained that you could use
13 pepper spray to enforce compliance with your orders?

14 A To regain control.

15 Q When you say "regain control," what do you
16 mean?

17 A When it's out of control.

18 Q So if you --

19 A There's many different ways.

20 Q If you thought a detainee was out of control,
21 that is when pepper spray should be used; is that right?

22 A If there's also a present danger, like self- --
23 self-harm or harm of others.

24 Q What were all the factors you were given in
25 evaluating whether to deploy your pepper spray?

1 Q Does GEO Group have all of its officers who are
2 promoted to sergeants get pepper sprayed as part of the
3 training?

4 A Yes.

5 Q And are you -- when you're pepper sprayed as
6 part of the training, are you pepper sprayed from a
7 distance of more than five feet?

8 A I don't remember. They're pretty close.

9 Q Do you remember that you were trained to keep a
10 distance of five feet?

11 A I don't know --

12 MS. AGUADO: Asked and answered.

13 THE WITNESS: -- the exact distance.

14 BY MS. SWEETSER:

15 Q I'm sorry. Please repeat your answer.

16 A I don't remember the exact distance. There's
17 different sprays.

18 Q While you were at GEO Group, do you remember
19 the type of spray you were issued?

20 A I don't.

21 Q Did everyone in the facility carry the same
22 type of spray?

23 A Yes.

24 Q But you don't remember what exactly it was?

25 A I don't know the name.

24

Q So before we start, I'll just go over some of

25

the ground rules which your attorney may have already

Page 6

1 A No, ma'am.

2 Q Do you know whether they reviewed the reports?

3 A No, ma'am.

4 Q During the time that you worked at Adelanto,
5 did you ever have a captain come back to you to ask you
6 about a report that you had submitted to him or her?

7 A No, ma'am.

8 Q And that's true both for the reports you
9 submitted that you authored and also the reports you
10 submitted that your officers had authored?

11 A Yes, ma'am.

12 Q And by officers, I also mean a sergeant in the
13 event there was a sergeant.

14 A Yes, ma'am.

15 Q I am going to make several exhibits.

16 I'm sorry. Can we go off the record?

17 (Recess was taken from 12:14 p.m. to

18 12:24 p.m.)

19 MS. STEINBACK: Back on the record.

20 BY MS. STEINBACK:

21 Q Ms. Diaz, I apologize if I -- I can't remember
22 if I asked this already, but have you ever been
23 arrested?

24 A No.

25 Q I assume, then, you've also never been

1 A No, ma'am.

2 Q So why is there a watch commander?

3 A That's just what they call us, the watch
4 commanders. They call all the lieutenants watch
5 commanders.

6 Q Okay. So it's interchangeable?

7 A Yes.

8 Q Okay. So when you said you spoke with a watch
9 commander on June 12th, was that the lieutenant who
10 replaced you for --

11 A Yes, ma'am.

12 Q -- second shift?

13 Thank you. You've got to let her finish.

14 MS. AGUADO: Can we take a short break?

15 MS. STEINBACK: Sure.

16 (Recess was taken from 1:25 p.m. to 2:05 p.m.)

17 MS. STEINBACK: Back on the record.

18 BY MS. STEINBACK:

19 Q Ms. Diaz, during the break, did you review any
20 documents?

21 A No.

22 Q Did you have any conversations other than those
23 with your attorney?

24 A No.

25 Q Before the break, we were talking about the

1 in there because I didn't see the logbooks afterwards.

2 Q Have you ever made entries into the logbook
3 that was kept in the officer's podium in the day room in
4 2-C?

5 A No. Just unannounced pre-arounds.

6 MS. STEINBACK: And I'm just going to ask,
7 Carmen, have we received any copies of the -- none of
8 this is familiar to me. So have we received any logbook
9 entries?

10 MS. AGUADO: If they were requested, I would
11 assume so, but --

12 MS. STEINBACK: Yeah. Have we requested
13 anything related to this?

14 MS. AGUADO: I don't know if you have or not.

15 MS. STEINBACK: Okay.

16 THE REPORTER: Can we take a restroom break?

17 (Recess was taken from 3:03 p.m. to 3:12 p.m.)

18 MS. STEINBACK: Back on the record.

19 BY MS. STEINBACK:

20 Q All right. I'm tendering to the deponent
21 plaintiffs' Exhibit 12, which is Bates-stamped GEO 01986
22 through GEO 02002.

23 (Plaintiffs' Exhibit 12 was marked
24 for identification.)

25 ///

1 already said this, but were they being violent or
2 threatening in any way?

3 A They were not complying with orders.

4 Q And by that, you mean they were still seated at
5 the table?

6 A Yes. Because it's presence. Then it's verbal
7 commands. They were not complying with verbal commands
8 to rack up.

9 Q And right now it sounds like you're going into
10 the use-of-force continuum; is that correct?

11 A That is part -- is your presence; then your
12 verbal commands.

13 Q What happens after verbal commands?

14 A After verbal commands, after several verbal
15 commands, then we go into -- how would you say? The
16 soft approach. Trying to get them up, getting them
17 cuffed up. Because they linked arms. So once they
18 started linking arms, we knew we were going to have a
19 problem with them. So they were told several times to
20 get up or they were going to get sprayed.

21 Q Who told them to get up or they were going to
22 get sprayed?

23 A I did.

24 Q Did anyone else tell them to get up or they
25 were going to get sprayed?

1 Q So is it within GEO's use-of-force policy that
2 you're allowed to OC spray detainees if they are
3 refusing to go to count?

4 A If they refuse to go to count, if they refuse
5 verbal commands, and they're disrupting our dorm, and
6 which they were, because they got all the other
7 detainees riled up. This is why they got sprayed.

8 Q So it is consistent with GEO's policy that you
9 can OC spray a detainee who's refusing to go to count if
10 you have given verbal commands and they've refused to
11 comply with them and you -- and there's a disturbance?

12 A Yes. They were -- there was a disturbance,
13 like I said again. And they were told and told and
14 told, and then, as soon as they started linking arms, we
15 already knew it was out of control. They were getting
16 out of control. Because they figured you're not going
17 to touch us. You're not going to do anything to us. So
18 that's why they got sprayed, because it got out of
19 control.

20 Q So as soon as they linked arms, that was
21 basically your green light to spray them because you
22 knew that was your only recourse?

23 A No. I sprayed them because they linked arms
24 and I still continued to give them verbal commands, and
25 I told them, "If you do not get up and go to your racks,

1 you're going to get sprayed." So they still were in
2 violation. So next thing I know, they put their heads
3 down. And I gave them a warning again: "If you do not
4 get up and go to your racks, you're going to get
5 sprayed." Because we had to disperse the situation
6 because they were inciting and they were getting the
7 other detainees riled up. So I had to put an end to it
8 and control it before it got too out of control during
9 the count time, before we had other detainees coming
10 down off the tiers. So they got sprayed right across
11 the table.

12 Q How many times did you spray them?

13 A Once.

14 Q And you've watched the video with your
15 attorney; correct?

16 A Yes, ma'am. And I watched it after -- after it
17 all happened too.

18 Q And even watching that video, you still
19 maintain that you've only -- you only sprayed once?

20 A I only sprayed once.

21 Q At what point did you radio for other people to
22 come assist you?

23 A Right after I sprayed them, because they did
24 not comply. So that's when the other sergeant came from
25 the other facility.

1 THE WITNESS: Okay. When I got down there, the
2 officers knew that there was something going on. The
3 officers knew that there was something going on. So the
4 officers responded from first watch before they went to
5 their post.

6 And then, when those officers got there, I
7 remember telling the officers from third watch -- or
8 first watch, "Go post up." And then I sent third watch
9 officers -- I let them go home. And then I called on
10 the radio after I sprayed them. They didn't leave until
11 they saw that the situation was under control.

12 But once those officers left, that's when the
13 detainees started saying, "No, we're not going to
14 comply. We're not going to rack up. We want to talk to
15 ICE. And then it just went from there. It just got out
16 of control from there.

17 MS. AGUADO: Do you want to take a break and
18 get some air?

19 THE WITNESS: For a minute.

20 MS. AGUADO: Let's take a quick break.

21 MS. STEINBACK: Okay. Quick break.

22 (Recess was taken from 3:47 p.m. to 4:01 p.m.)

23 MS. STEINBACK: Back on the record.

24 BY MS. STEINBACK:

25 Q You testified here that you told the detainees

1 Q Did you ask for them to be charged with rules
2 violations?

3 A No, ma'am. The only one was this one right
4 here. I do not know if any reports were written on them
5 after that. Just by -- just reading what they wrote,
6 their statements.

7 MS. AGUADO: By them, who do you mean?

8 THE WITNESS: The detainees, yeah.

9 MS. STEINBACK: I don't have a copy of this.
10 Off the record.

11 (Recess was taken from 4:22 p.m. to 4:23 p.m.)

12 MS. STEINBACK: Back on the record.

13 I'm handing the deponent what I've marked as
14 Plaintiffs' Exhibit 14. It is Bates-stamped GEO 00524.
15 Sorry. Off the record.

16 (Discussion off the record.)

17 MS. STEINBACK: Back on the record.

18 All right. Calling your attention to
19 Exhibit 12, which is the use-of-force -- I'm sorry.
20 Exhibit 11, which is the use-of-force policy.

21 THE WITNESS: 12 or 11? This one's 12.

22 MS. STEINBACK: Is it 12? Okay, 12. Let's
23 look at that.

24 BY MS. STEINBACK:

25 Q Okay. So it's your understanding that GEO

1 MS. STEINBACK: Sure.

2 (Recess was taken from 4:34 p.m. to 4:43 p.m.)

3 MS. STEINBACK: Back on the record.

4 BY MS. STEINBACK:

5 Q At what point did you direct the officers to
6 use handcuff on the detainees?

7 A After they were removed from the table. After
8 they got sprayed and we removed them from the table.

9 Q After all of the detainees -- strike that.

10 According to GEO's policy and practices, at
11 what point are restraints, handcuffs, supposed to be
12 removed from a detainee?

13 A As soon as the imminent danger is over.

14 Q Do you know when the handcuffs were removed
15 from these detainees?

16 A No, ma'am.

17 Q Did you monitor how long they were handcuffed?

18 A No, ma'am.

19 Q After the detainees were taken out of the day
20 room, do you know where they went?

21 A To medical, to our triage area, and to holding
22 until medical staff could evaluate them.

23 Q Did you direct the officers to take them to
24 medical?

25 A Yes.

1 (Recess was taken at 5:06 p.m.)

4 was relieved in these proceedings by

1 A Go forward again.

2 Q All right. I'm stopping 6:47:44 and starting
3 to go forward again.

4 I'm going forward, so I can stop it when you
5 want.

6 A The spray went this way. So I sprayed here.

7 Q Where?

8 A I was standing here, had the can. I sprayed
9 it and went across the table.

10 Q You told me --

11 A The reason I remember this is the officers
12 were standing right there. When they were trying to get
13 the detainee up off of the table, then the other
14 detainees on the other side, they were starting to link
15 arms, so I sprayed it. And it sprayed this way. I only
16 sprayed one time.

17 Q So you're talking around 6:38:14 when a number
18 of officers are crowding around a detainee, that is the
19 moment that --

20 A I disbursed my spray here. I only sprayed
21 them once.

22 Q It's your testimony having watched this video
23 a number of times backward and forwards, that is the
24 only time you did spray the OC spray?

25 A One time right here.

1 MS. AGUADO: Can we take a short break?

2 MS. STEINBACK: Sure.

3 (A short break was taken at this time.)

4 MS. STEINBACK: For the record, we did just
5 take a break and the deponent had an opportunity to
6 meet with her attorney, who was the one that called
7 the break. And she is now seeking to revise her
8 testimony.

9 BY MS. STEINBACK:

10 Q What is the revised testimony that you would
11 like to submit?

12 A On the spray.

13 Q What would you like to say now?

14 A These are not the ones that I sprayed. I told
15 you, I only used my spray once. I want to go all the
16 way through the video.

17 Q So. We will go through the video.

18 So, your testimony is you did not spray
19 anyone at the first table, which is being cleared?

20 A Yes, ma'am.

21 Q And you're testifying that way despite
22 everything you have seen?

23 A Yeah.

24 Q Just making sure.

25 Good forward. Right now, 6:38:37.

1 Are there any officers in the tiers right
2 now, to your knowledge?

3 A Not that I can see.

4 Q I know there is no audio here. All we can do
5 is see what is on the video.

6 Would you characterize what you are seeing
7 in the video as a rebellion or a riot?

8 A A rebellion or a riot. I know from when I was
9 in here, these detainees were yelling and screaming on
10 the top tiers.

11 Q Did you, did you direct any officers to go to
12 the top tiers at this time?

13 A No.

14 Q Why not?

15 A I did not recall why.

16 Q If you had a legitimate security concern,
17 would you have sent officers up to the top tiers?

18 A Yes.

19 Q That is in accordance with GEO policies and
20 practices?

21 A Yes.

22 Q It is approximately 6:39:31.

23 You're starting to walk back into the day
24 room, still waving your OC spray.

25 It's your testimony that up until now, you

1 BY MS. STEINBACK:

2 Q Let me see if we can speed this up.

3 I just am looking for you to identify the
4 instance where you used the OC spray.

5 Can you do that for me?

6 A Right there.

7 Q So 6:42:25?

8 A Because the officers moved, I shot it right
9 across the table.

10 Q So it is your testimony that is the only time
11 you used the OC spray during the interaction?

12 A Yes, ma'am.

13 Q Was that the only time that you felt it
14 appropriate to use OC spray during this incident?

15 A Yes, ma'am.

16 MS. AGUADO: I think we are done.

17 MS. STEINBACK: Okay. Thank you. You have
18 right to read -- do you want to tell her her right,
19 or if she will waive signature?

20 MS. AGUADO: Are you not doing a
21 stipulation?

22 MS. STEINBACK: Off the record.

23 (A short break was taken at this time.)

24 MS. AGUADO: So we're going to be relieving
25 the court reporter of her duties under the Federal

1 Code of Civil Procedure.

2 We are agreeing the deponent will have 30
3 days from the time of receipt of the transcript to
4 review it, make any changes that she feels necessary,
5 return changes to counsel.

6 Counsel will notify plaintiffs' counsel
7 if any changes are made.

9 stolen, or otherwise misplaced, a certified copy will
10 be used in its place.

1 THE WITNESS: When you say, "staff member,"
2 what staff member are you referring to?

3 BY MS. STEINBACK:

4 Q If you have, for example -- well, for OC
5 spray, who is authorized to use OC spray -- strike that.

6 In June of 2017, who was authorized to use OC
7 spray at that time?

8 A Staff that were trained with OC spray.

9 Q Are the staff -- a certain rank or any staff
10 member who was trained?

11 A It's our sergeants and lieutenants.

12 Q So if a staff member, who is trained to use OC
13 spray, in a situation where they have time to make a
14 notification, in June of 2017 according to GEO's
15 protocols and practices, that have -- they have
16 contacted you even if you were not at the facility?

17 A Depends if the situation -- a calculated use
18 of force can turn into an immediate use of force, prior
19 to a notification, if the situation warrants that.

20 Q Can you describe a little bit for me what that
21 means?

22 A Yeah, I can. Just as an example, if a
23 detainee is in a cell and/or maybe is threatening
24 self-harm and he appears to have some sort of instrument
25 to harm himself or herself, yet he isn't, and you feel

1 A No.

2 Q To your knowledge, has -- strike that.

3 Has ICE ever come into the facility since you
4 have been the Warden or the Facility Administrator to do
5 a scheduled inspection of the facility?

6 A Yes.

7 Q How many times has ICE come to Adelanto to do
8 a scheduled inspection of the facility since you became
9 Warden there?

10 A Several.

11 Q How many is "several"?

12 A Scheduled -- I would say approximately 15.

13 Q Has ICE conducted any unscheduled inspections
14 at Adelanto since you have been Warden?

15 A Yes.

16 Q How many unscheduled inspections has ICE
17 conducted since you have been Warden?

18 A Daily.

19 Q By that, are you referring to the fact that
20 ICE has staff onsite at Adelanto, or are they actually,
21 literally, intentional inspections at the facility?

22 A They have a position for one individual that
23 does -- that's his or her job, and then we have the
24 additional ICE personnel that are onsite everyday.

25 Q What is the title of the person who is

1 designated by ICE to be at Adelanto for the purpose of
2 conducting daily inspections?

3 A I will give you the acronym. I don't know the
4 exact title. It can be one of two acronyms. DS -- D as
5 in David, SCO or ADSM.

6 Q In June of 2017, was a DSCO or ADSM onsite at
7 Adelanto every day?

8 A To my knowledge, yes, five days a week.

9 Q Does that individual have unfettered access to
10 the facility?

11 A Yes.

12 Q So they don't have to ask anyone else's
13 permission to go anywhere in the facility?

14 A No.

15 Q What are they looking for when they conduct
16 their inspections, if you know?

17 MS. AGUADO: Calls for speculation.

18 THE WITNESS: I don't look at their audit or I
19 have never seen their audit instruments or --

20 BY MS. STEINBACK:

21 Q Have you ever had a conversation with them
22 about what it is they are looking for?

23 A Yes.

24 Q Based on how many conversations you have had
25 with that individual, about what they are looking for

1 offenses were housed there?

2 A Yes. They may have had prior convictions for
3 unrelated to the DUI, but those that were there were
4 serving time for a current DUI.

5 Q That's so interesting. I didn't know that
6 that existed.

7 A 500 beds.

8 Q Wow. When you arrived at Adelanto, did you
9 receive any training specific to the Adelanto facility?

10 A Yes.

11 Q What training did you receive when you arrived
12 at Adelanto?

13 A The pre-service course offered by Adelanto for
14 new hires with ICE -- with regard to ICE facilities.

15 Q So it was a training that specifically
16 addressed the needs of detainees in ICE custody?

17 A It catered to that. Although the majority of
18 the training was detention, correctional topics;
19 subcategories, the PBNDS, ICE -- direction on how we
20 operate would be the added ICE type topics.

21 Q Okay. So was the training pretty much in line
22 with the training that you had received previously when
23 you were working for a different correctional facility?

24 A Yes, it is.

25 Q Other than the pre-service course for new

1 are certified to teach by having attended the T for T
2 Training for Trainers course by GEO.

3 Q So GEO sponsors a Training for Trainers'
4 course that allows participants to go on and be trainers
5 themselves?

6 A That's correct.

7 Q How much training is required before someone
8 can become a trainer themselves?

9 A A minimum of one year's employment with GEO.

10 Q Other than the pre-service training, you
11 mentioned that there is continual annual in-services, is
12 that correct?

13 A Yes.

14 Q And those are the 40-hour training courses
15 that you previously testified about?

16 A Yes.

17 Q Other than the 40-hour annual in-service in
18 June of 2017, what other training was required of GEO
19 employees, if any?

20 A I don't believe there were any others.

21 Q In the pre-service training, were the new
22 hires trained on The GEO use-of-force policy?

23 A Yes.

24 Q Out of the 136 hours of new hire training, how
25 many were dedicated to use of force?

1 optional?

2 A It was required.

3 Q Who monitored to make sure that the
4 supervisors at Adelanto were taking and passing these
5 monthly courses?

6 A The Training Administrator.

7 Q So the Training Administrator, would one of
8 the responsibilities of the Training Administrator be to
9 make sure that everybody was keeping up with the
10 learning that they were supposed to be doing?

11 A Correct.

12 Q Is the supervisor -- if a supervisor didn't
13 complete the supervisor-specific monthly training, what
14 would the Training Administrator do in June of 2017?

15 A They would notify the individual of the
16 deficiency and request that it be done as soon as
17 possible.

18 Q In June of 2017, were there any issues of
19 staff failing to complete the training that they were
20 required to do?

21 A I wouldn't know.

22 MS. STEINBACK: Okay. I'm handing the
23 deponent a document that I have marked as Exhibit 3.
24 For the record, it's Bates-stamped GEO 02272 and 022273.

25 (Whereupon Exhibit 3 was marked for

1 identification by the Court Reporter

2 And is attached hereto.)

3 BY MS. STEINBACK:

4 Q Do you recognize this document?

5 A I recognize it only as a general information
6 report. I don't recall having read it, but I very well
7 may have.

8 Q So is this one of the documents that you
9 referenced as being a part of the investigation of the
10 use of force?

11 A It would be.

12 Q And I'll represent to you that this is one of
13 the GIRs that pertains to the incident giving rise to
14 this lawsuit.

15 Is this document a template that is created by
16 GEO?

17 A Yes.

18 Q And in the first box at the top it says,
19 "Subject: Please check one of the appropriate boxes."

20 Do you see that -- what I'm talking about?

21 A Yes.

22 Q And it appears that -- well, if there are
23 multiple boxes that apply to a use-of-force incident, is
24 it GEO's policy and practice to mark all of the boxes
25 that could apply or the one that most applies?

1 A It would be situational. There's nobody
2 saying you can only mark one, no, you can mark multiple,
3 yes.

4 Q Part of the reason I ask that, there are two
5 boxes on this document that are crossed off the "major
6 disturbance" and the "minor disturbance" boxes.

7 Do you see that?

8 A Yes, I do.

9 Q Are those your initials next to the lines
10 crossing out those boxes?

11 A Yes, they are.

12 Q Why did you cross off these two boxes?

13 A The term "disturbance" is the operative word,
14 if you will. This incident is certainly considered a
15 use of force and was ultimately reported as such. The
16 term "disturbance" could have a connotation of a riot,
17 for instance, as a worst case, and it wasn't felt that
18 that term "disturbance" accurately described the
19 incident.

20 Q Where is the term disturbance defined, or if
21 you are an officer, how do you know what that means?

22 A Typically, it's discussed amongst the
23 supervisors, the individuals and possibly administrators
24 as to the terminology to describe an incident.

25 Q So is it fair to say that definition of the

1 term sort of varies on a case by case basis? Or what do
2 you mean?

3 A I don't want to say it would vary. The
4 incident in it's totality can be just a use-of-force
5 incident, such as this, with the detainees being pepper
6 sprayed. If the term disturbance was going to be used,
7 it very likely would be coined as a disturbance by the
8 Facility Administrator before it was reported as a
9 facility disturbance.

10 Q So I guess what I'm trying to understand, is
11 there a single definition of disturbance, or is it up to
12 interpretation and ultimately the decision of the
13 Facility Administrator?

14 A Well, let me -- I don't have an answer. I
15 can't cite the document that tells us what is or isn't a
16 disturbance, but there are documents that would identify
17 certain actions or incidents within the facility that
18 could be classified as a disturbance.

19 Q Do you know where that document is?

20 A It could be an attachment to the policy on
21 serious incident reports. I don't know for a fact that
22 it is.

23 Q Okay. But there is a definition of major
24 disturbance and minor disturbance?

25 MS. AGUADO: That misstates his testimony. I

1 think he explained something different, but go ahead.

2 THE WITNESS: Well, I said, I can't cite the
3 actual document, but there is something that says what a
4 disturbance -- where you cross that threshold.

5 BY MS. STEINBACK:

6 Q Does GEO train its officers on where that
7 threshold is crossed and what constitutes a disturbance?

8 A No.

9 Q Here did you make the decision ultimately that
10 it shouldn't be categorized as a major or minor
11 disturbance?

12 A I don't recall whether I involved any other
13 persons in that decision, reading it today, I would not
14 change -- I would leave it as it is. I wouldn't have
15 changed the disturbance. I would have made the same
16 decision.

17 Q Sitting here today, you still agree that it
18 was not a major or minor disturbance?

19 A That is correct.

20 Q What is the purpose of the "Subject" Box?

21 Maybe just to be more clear, so does it matter
22 whether you mark it as a major disturbance, a minor
23 disturbance or as here, under "Other use of force"?

24 A It was a matter more in the area of our
25 categorizing it as an incident for documentation, number

1 of uses of force, here they are; number of major
2 disturbances, here. Here they are; this paper goes here
3 and this paper goes here.

4 Q All right. So you want to make sure that it's
5 accurate so when the data is documented for use in the
6 facility and beyond, it's appropriately categorized and
7 it reflects exactly what happened.

8 Is that fair to say?

9 A Yes, it is.

10 MS. AGUADO: Can we take a short break?

11 MS. STEINBACK: Sure.

12 (Short recess was taken.)

13 MS. STEINBACK: Back on.

14 Q Does GEO provide training for its staff on how
15 to fill out reports like the General Incident Report
16 that we have marked as Exhibit 3?

17 A There is a course for report writing in
18 pre-service.

19 Q What does that course cover?

20 A It covers the subject matter that needs to be
21 included in a report -- who, what, when, why, how --
22 topics or answers.

23 Q Does it use any of GEO's template reports as
24 examples and take the officers through how to fill them
25 out or more general report writing training?

1 A It utilizes this specific General Incident
2 Report. It utilizes a count sheet, out-count sheet,
3 general topic sheets that would be available to staff to
4 fill out. The primary ones are General Incident Report,
5 a count sheets and logbooks is what I'm trying to
6 remember.

7 MS. STEINBACK: I'm going to hand you a
8 document that I have marked as Exhibit 4, which, for the
9 record, is Bates-stamped GEO 02236 and 02237.

10 (Whereupon Exhibit 4 was marked for
11 identification by the Court Reporter
12 And is attached hereto.)

13 BY MS. STEINBACK:

14 Q Just an initial question. Is this report
15 template that is created by GEO similar to the GIR?

16 A Yes. There is a specific template utilized
17 for use of force, so yes.

18 Q And in the report writing training that you
19 just described that happens in the pre-service, is this
20 use-of-force document used for training purposes?

21 A No.

22 Q So the general training that GEO employees
23 receive in the reporting module --

24 A I will qualify that. Sorry.

25 Q -- would be put to use in filling out this

1 exception. We might have had a specific individual go
2 to a class on firearms, for instance, as the armorer,
3 and that person would have been trained by someone other
4 than GEO. But that would be that type of exception.

5 Q Okay. So one of the situations that are case
6 by case rather than having --

7 A Yes.

8 Q Okay.

9 MS. STEINBACK: Okay. I'm going to mark and
10 give you a packet that has been marked as Exhibit 6.

11 (Whereupon Exhibit 6 was marked for
12 identification by the Court Reporter
13 And is attached hereto.)

14 MS. STEINBACK: For the record, it's
15 Bates-stamped GEO 02036 through 02046.

16 Q Do you recognize this document?

17 A Yes, I do.

18 Q What is this document?

19 A It's as its title states, "Situations that
20 would require Emergency Procedures."

21 Q And I notice on the document that there is a
22 date stamp of September 13, 2018 on the bottom left
23 corner.

24 Did this presentation exist in June of 2017?

25 A I don't know.

1 Q Is there any way from looking at it to tell?

2 A The subject matter is something that would
3 have been trained in 2017, but that date may be just an
4 updated version. I don't know how far back in history
5 that this went, but it's a topic that is trained on in
6 pre-service and in-service even then.

7 Q Great. In reviewing this document, are there
8 any differences between what would have been trained on
9 in June 2017 and what is substantively in this document
10 now?

11 A That I don't know.

12 Q Would reviewing it help you to answer that
13 question?

14 A If I saw the previous document, perhaps.

15 Q Okay.

16 MS. STEINBACK: Could we go off the record a
17 second?

18 (Discussion was held off the record.)

19 MS. STEINBACK: Back on the record.

20 Q Recognizing that we don't have the previous
21 document, you said that the subject is something that is
22 regularly trained on both in the pre-service and the
23 annual in-service; is that correct?

24 A That's correct.

25 Q So turning just to the second page, which is

1 the GEO 02037, this appears to be listing emergency
2 situations that involve inmates and detainees and
3 including bomb threat, disturbance/riot, escape, hostage
4 situation, and hunger strike, et cetera.

5 When this training is given -- and I guess I
6 will ask first, from June of 2017 -- if you can answer,
7 and if you can't answer, then I will ask it in a
8 different timeframe -- but as of June 2017, when staff
9 would have been trained on how to handle emergency
10 situations, would they have training on what each of
11 these inmate detainee situations is, with specific
12 definition -- for example, what a bomb threat is?

13 I know it feels obvious, but a disturbance or
14 riot, a hostage situation -- would those have been
15 defined in the training?

16 A They would have been discussed. To define
17 specifically disturbance or riot, unlikely. An escape
18 as a topic is just that. So the topics listed here
19 would be discussed.

20 Bomb threat, for instance, there is a section,
21 don't use the radio, there's a suspected bomb, that you
22 might trigger an explosion. If it's an over-the-phone
23 bomb, try to get information, dah, dah, dah -- all those
24 things specific to bombs, so it's a discussion more than
25 a definition during the class.

1 Q So, for example, what would the discussion --
2 just looking at the next one, disturbance/riot, what
3 would the discussion around that have been?

4 A It's going to be dependent on the instructor,
5 how the instructor relays personal experiences, for
6 instance, on disturbance/riot, they are not really
7 synonymous, although it seems to me they used it in that
8 context, but there would be, again, an explanation, not
9 Screen 3, a definition, an explanation of what would be
10 considered a disturbance or a riot.

11 Q I know we already discussed disturbance. Is
12 there a definition of a riot, or what a riot is?

13 A I don't know that it's written by definition.

14 Q Is there training on what a riot is or what
15 staff is supposed to classify what is a riot?

16 A This training would be that.

17 Q So the discussion, which can vary depending on
18 who the instructor is?

19 A That's possible, yes.

20 Q Would the same be true for hostage situation?

21 A We have a class module that is hostage
22 situations, so it's further defined on its own merit.

23 Q So of the list here, can you identify for me
24 which have a further module that helps define what the
25 situation is, just starting at the top. Is there a

1 further module or training on bomb threat?

2 A No.

3 Q Is there a further module or training on
4 disturbance/riot?

5 A No.

6 Q Escape?

7 A Yes.

8 Q Hostage situation?

9 A (No audible response.)

10 Q "Yes"?

11 A Yes.

12 Q Hunger strike?

13 A No.

14 Q Work stoppage or other job action?

15 A No.

16 Q Manmade disasters?

17 A No.

18 Q Immediate release of inmates from locked areas
19 including use of manual backup systems?

20 A No.

21 Q Evacuation of inmates, staff or visitors?

22 A Not a specific module, but it's covered in
23 other topics, to include emergency situations. We would
24 discuss that in the disturbance or riot, for instance,
25 what we are going to do as an after action or during the

1 action try to evacuate.

2 Q Okay. Death?

3 A No.

4 Q Medical emergency?

5 A Medical has modules that discuss Code Blue,
6 yes.

7 Q All right. Back to -- turning to the next
8 page is medical emergency. It's my understanding you
9 are also here to testify on detainee complaints
10 regarding the showers and water at Adelanto.

11 During your time at Adelanto, have you heard
12 detainee complaints about the temperature of the water
13 in the showers?

14 A Yes, I have.

15 Q How recently have you heard those complaints?

16 A Not within the past year. It's difficult to
17 say. Several months back, I might have heard something
18 about temperature.

19 Q I know it's very specific to ask -- do you
20 remember hearing any complaints about the temperature of
21 the water in the shower in June of 2014?

22 A No, I don't remember that.

23 Q When -- for the incident that you recall, did
24 you recall hearing any complaints about -- what were the
25 complaints?

1 MS. STEINBACK: Back on.

2 Q You previously testified to some retraining
3 that you do of individual staff following grievances.
4 And I don't know if I asked this, but in case I didn't,
5 have there been any changes to the general trainings as
6 a result of grievances or other detainee complaints?

7 A No.

8 Q Okay. I know we have also discussed some
9 terms, including disturbance and riot. Another term
10 that we have seen used is rebellion. Is there a single
11 definition of what a rebellion is for inmate or detainee
12 situation?

13 A That term, "rebellion," I have never used it
14 in my work history.

15 Q In your entire work history?

16 A Right.

17 Q Why is that?

18 A I think the term rebellion is synonymous with
19 either riot or disturbance and just is not used.

20 To me it's an archaic word.

21 Q Have you ever been in a situation that you
22 would categorize as a rebellion in your professional
23 setting?

24 A I likely could have used the word rebellion --
25 that's the group that were rebelling against the

1 particular meal that they received -- something in that
2 context, but I have never used the word.

3 Q Okay. I would use the connotation of
4 rebellion as something slightly more than rebelling
5 against or expressing distaste for a meal.

6 Would that be fair to say?

7 A It could be. I just don't use it. In
8 thinking about it, having been asked, I would see a
9 country rebellion occurring, but not in the context of a
10 facility detainee or inmate facility, I haven't heard
11 that.

12 Q Is it fair to say in all the training that you
13 have both done and sat through, you have not been
14 trained on rebellions?

15 A When I do that specific course, I use -- I say
16 the word rebellion. I say disturbance, riot or
17 rebellion, because it's written on there. I don't
18 elaborate on it.

19 Q Have you ever seen any officers use the term
20 rebellion to describe --

21 A Not that I recall.

22 Q You described the grievance process and your
23 work with the grievance coordinator when you were the
24 Chief of Security.

25 I just have a few more questions.

1 Q So you asked Diaz to count them just at the
2 tables?

3 A Yeah, 'cause I was just trying to figure out a
4 way to not have them sprayed 'cause with her having the
5 can out, it would imply that she would anticipate to use
6 it, so.

7 Q Did it seem to you that they could just -- they
8 were sitting still, they could just count them at the
9 tables?

10 A Yes.

11 Q And you said also you thought maybe she could
12 bring them to medical?

13 A Yeah.

14 Q Had anyone told you that these detainees were on
15 hunger strike --

16 A No.

17 Q -- at this point?

18 Would the protocol have been if they were on
19 hunger strike to bring them to medical?

20 A Yes.

21 Q And count can be completed if some detainees are
22 in medical, correct?

23 A Yeah --

24 MS. TISHKOFF: May lack foundation.

25 THE WITNESS: -- but I don't know security's

1 specific policies and how that carries out.

2 MS. TISHKOFF: Interpose the objection; it lacks

4 Answer can stand.

5 BY MS. SWEETSER:

6 Q You're aware that some detainees have been at

8 A Yeah.

9 Q And that doesn't lead to -- as far as you're
10 aware, that doesn't lead to any problem at the facility,
11 does it?

12 MS. TISHKOFF: Lacks foundation, calls for
13 speculation, overbroad, vague.

14 MS. STROTTMAN: Join.

15 MS. TISHKOFF: If you know.

16 THE WITNESS: Are you speaking specifically if
17 they're already in medical before count starts?

18 BY MS. SWEETSER:

19 Q Yes.

20 If they're in medical when count starts, do you
21 know of that posing a problem for the facility?

1 A No.

2 Q Are you taking any medication for any pains in
3 your neck?

4 A No. Just for the headaches. I try not to take
5 that much medication.

6 Q As you sit here today, do you have any other
7 injuries related to this incident?

8 MS. ALARCON: Objection. Vague as to other.

9 THE WITNESS: Specifically?

10 BY MS. AGUADO:

11 Q Yes. Do you have any other injuries related to
12 this incident, as you sit here today?

13 MS. ALARCON: Objection. Vague as to other injuries.

14 BY MS. AGUADO:

15 Q You can answer.

16 A Emotionally, physically?

17 Q You tell me.

18 A Physically, like stomachaches, hemorrhoids; I
19 don't know if it's a hemorrhoids or some kind of anal
20 lesion. I cannot ride any bus or car because I get
21 nauseated; before, I didn't have those conditions.

22 The headaches, pain in my shoulder, my wrist.

23 Q Is that all the pain you currently have as a
24 result of the incident?

25 MS. ALARCON: Objection. Asked and answered.

1 A No.

2 Q Have you talked to a doctor about your
3 stomachaches?

4 A Yes, but the doctor only gave me some medication
5 for gastritis or for an ulcer.

6 Q You also mentioned you got hemorrhoids as a result
7 the incident, when did that happen?

8 A I don't remember.

9 Q When did you first learn that you first had
10 hemorrhoids as a result of the incident?

11 A I didn't know what it was. I noticed it during
12 detention when I saw that the toilet was red in color.

13 Q Has a doctor ever told you that you could develop
14 hemorrhoids as a result of having your arm twisted?

15 MS. ALARCON: Objection. That's argumentative.

16 THE WITNESS: What was the question?

17 BY MS. AGUADO:

18 Q Has a doctor ever told you that you could develop
19 hemorrhoids as a result of having your arm twisted?

20 A No.

21 Q Has a doctor told you that you could develop
22 hemorrhoids as a result of being hit in the face?

23 A No.

24 Q Has a doctor told you that you can develop
25 hemorrhoids as a result of a twisted neck?

1 foundation.

2 You can go ahead if you know.

3 THE DEPONENT: The answer is yes, I depend on
4 everyone in the facility if they witness an emergency or
5 if they think something is emergent to bring it to the
6 attention.

7 BY MS. SWEETSER:

8 Q If it's not an emergency, does a referral from
9 the LVN need to go through an RN before it comes to you?

10 MS. TISHKOFF: Same objections.

11 THE DEPONENT: Not necessarily. The LVNs are
12 good eyes and ears in the facility and they can tell me
13 about certain detainees and if they have a need and they
14 can bring it to my attention.

15 BY MS. SWEETSER:

16 Q Do you remember speaking with Mr. Rivera
17 Martinez on the 12th about his nose at all?

18 A What page is the note -- what page is my
19 documentation on?

20 Q Looking at 28 and 29.

21 A If I didn't mention his nose, then he did not
22 complain about his nose.

23 Q And did you make this note on the 13th?

24 A I transcribed it into the medical record. I
25 don't know if that's the right word, transcribed, but I

1 put it into the medical record on the 13th.

2 Q Were you taking notes on paper that day?

3 A Yes.

4 Q Do you have any -- would those notes have been
5 saved, the notes you took on paper?

6 A I shred them when I'm done with them.

7 Q Did you fill out any kind of chart with a
8 body -- picture of a body on it for him that day?

9 A No, I don't do that.

10 Q Only the nurses do that?

11 A Correct.

12 Q Did you refer him to any other services that
13 day?

14 A That day being June 12th?

15 Q Uh-huh.

16 A No. He was refusing medical services, so I did
17 advise him to let us know if he changed his mind
18 regarding further workup.

19 Q And I see there's some notes about education
20 provided on process and plan and functional limitations;
21 is that right?

22 A Uh-huh.

23 Q That's a "yes"?

24 A Oh, I'm sorry. Yes.

25 Q Did you -- do you remember what you were

1 educating him about that day?

2 A I don't recall specifically. I can -- yeah, I
3 don't recall specifically.

4 Q Would it have been related to the shoulder
5 pain?

6 A Correct. In general I give people education,
7 the apropos to their environment and to their disease
8 process.

9 Q Do you remember any functional limitations you
10 told him about that day?

11 A In -- I don't recall specifically, but my
12 general practice in this case would be if it hurts don't
13 do it for a shoulder injury. And also if you change
14 your mind about the X-ray please come back and we'll do
15 an X-ray for you.

16 Q Did you order the X-ray just for his shoulder
17 or for his face as well?

18 A That day I did not order X-ray because he
19 refused the X-ray.

20 Q Did you recommend to him that he get an X-ray
21 just for his shoulder or for his face as well?

22 A I don't see any complaints regarding his face
23 other than his tooth, so I recommended an X-ray of his
24 shoulder that day.

25 Q And do you know if you referred him to a

1 A Not based on what I'm reading. Ms. Griffith is
2 an RN.

3 Q Do you know if you spoke with this detainee
4 again on the 16th?

5 A Not based on what you've shown me.

6 Q Would Ms. Griffith have to generate an action
7 in order for you to see the detainee again?

8 A Not necessarily. Medical is all together on
9 west. If she wanted me to see the detainee at that
10 moment she could ask me. If it's something that could
11 wait a day or two, she could ask the scheduler to put it
12 on my schedule.

13 Q I see she wrote down "nares appear patent with
14 no abrasions." Do you know what that means?

15 A I understand it to mean she looked inside the
16 nose, the nares, N-A-R-E-S, patent meaning open, not
17 clogged, and no abrasions meaning she didn't see any
18 break in the mucosa or the skin.

19 Q And when it says "appointment scheduled with
20 provider," would that be -- since he's requesting an
21 X-ray, would that be an outside provider?

22 A Let me read the note.

23 Q Yes.

24 A So I see that this detainee -- she notes that
25 he is saying that he was hit by another detainee in the

1 THE DEPONENT: Geo 92, yes. That's
2 documentation that he refused an X-ray.

3 BY MS. SWEETSER:

4 Q So besides Geo 50 that you just mentioned of
5 the 5th and then Geo 92, do you see any other records
6 regarding X-rays?

7 MS. TISHKOFF: X-rays of the nose you're
8 talking about? He already said he saw the chest X-ray.

9 THE DEPONENT: So I'm looking at CCS49 and I
10 see that he has a nasal fracture. The only way we would
11 know that is if there was X-ray done.

12 MS. COLEMAN: What page?

13 THE DEPONENT: 49.

14 MS. TISHKOFF: 49. CCS49.

15 THE DEPONENT: The reason for the appointment
16 is with me and it's a nasal fracture follow-up. So he
17 did have an X-ray because we wouldn't have known that he
18 had a fracture of the nose unless we had an X-ray, so...

19 BY MS. SWEETSER:

20 Q Based on these records, did the X-ray take
21 place on July 5th, 2017?

22 A I don't know.

23 MS. TISHKOFF: Lacks foundation.

24 THE DEPONENT: I don't know when the X-ray took
25 place.
